

Quick and Easy Breadsticks (Gloria Hintze)

frozen bread dough
melted butter
parmesan cheese

garlic salt
parsley flakes

Thaw bread dough on a greased pan. With a sharp knife cut each loaf into about 8 to 12 long strips. Roll each strip into butter and place on baking sheet (kind of close together). Sprinkle with cheese, garlic salt, and parsley flakes. Allow to raise until kind of light. Bake at 375° until golden brown.
