

Pumpkin Pie Cake

1 box yellow cake mix
1 c. water
12 oz. evaporated milk
2 eggs
15 oz. canned pumpkin

1 T. pumpkin pie spice
 $\frac{1}{2}$ t. salt
 $\frac{3}{4}$ c. sugar
whipping cream

Spray 9x13 pan with cooking spray. Sprinkle $\frac{1}{2}$ of dry cake mix over the bottom of pan. Drizzle $\frac{1}{2}$ cup of water over cake mix. In a separate bowl combine milk, eggs, pumpkin, spice, salt, and sugar. Beat with a wire whisk until smooth. Pour pumpkin pie mixture over cake. Sprinkle remaining $\frac{1}{2}$ of dry cake mix over top of pumpkin pie mixture. Sprinkle $\frac{1}{2}$ of water over the top. Let set 5-10 minutes to absorb moisture. Bake at 350° for 30 to 40 minutes or until cake is set. Garnish with whipping cream.
