

## Strawberry Shortcake

1 box white cake mix	4 c. strawberries or
6-8 oz. cream cheese, softened	raspberries
1½ c. powdered sugar	1 pkg. Danish Dessert
1 c. cool whip	(strawberry or raspberry)

Make cake mix according to package directions and bake in a 10x13. If using a 9x12, divide cake mix batter to make 6 cupcakes and a 9x12 pan. Let cake cool.

Mix cream cheese and powdered sugar. Fold in cool whip. Spread over cooled cake.

Make Danish Dessert using 1¾ c. water and following package directions. Add fruit to Danish Dessert. Spread over cake if whole cake will be eaten (once this is spread over the cake if cake is not all eaten it will become soggy).

Refrigerate until served.
